

March 5, 1976

I would like to remind the President if we continue though that my light was on and I'd like to talk on the issue when we decide what it is.

PRESIDENT: Alright, now no further discussion then on the appeal of the Speaker's ruling? The question is shall the Speaker be overruled? Record your vote. Have you voted? Record.

CLERK: 5 ayes, 11 nays.

PRESIDENT: The Speaker is not overruled. Senator Dickinson. Wait, no. He's not overruled, therefore, we pass the bill. We go to LB 859.

CLERK: Read title to LB 859.

PRESIDENT: Senator DeCamp.

SENATOR DeCAMP: Mr. President, members of the Legislature. A relatively minor change in the replevin laws. At the present time we allow the constable seven days, I think it is, seven days to perform his action. That involves a weekend and does not involve, in many cases, enough time. So this just changes the amount from seven to fourteen days. You'll remember a couple years ago the replevin laws were changed by Supreme Court ruling. So we have to have a hearing in the court before you can do anything. The additional time is necessary to perform all the functions involved in a replevin. That's all it is.

PRESIDENT: Senator Dworak, your light is still on. Is that on this matter? Senator Koch, did you wish to be heard on this matter? Record your vote. Please vote. Record.

CLERK: 26 ayes, 0 nays.

PRESIDENT: The bill is advanced. Or wait. Is that adoption of amendments or advancement?

CLERK: It's advancement.

PRESIDENT: Bill is advanced.

CLERK: Read title to LB 671.

PRESIDENT: Senator Kelly.

SENATOR KELLY: Mr. President, the amendments that are offered corrects a conflict in the statutes for the Department of Aeronautics. The other one is language correction that changes state owned buildings to land and land improvement.

I would move the adoption of the amendment and can explain the bill in the same breath almost. There's one County Airport Authority in Nebraska, it's the Grand Island - Hall County Airport Authority. They lease buildings for revenue, they lease land for revenue. Their ability, at this time, to enter into a lease contract is only for their corporate existence which is 20 years. Six years of that is now gone, seven years is gone. Each year
